## Principal's Message

Wow, what a busy few weeks we have had! Last week school hosted our annual 'Challenge Partners' review (further information on this below) and this week, all classes started work on their new PBL topics. With our school value of the week being **collaboration**, there has been lots of incredible teamwork going on all over the place: Year 4 have been busy naming continents and countries; Year 5 (in addition to a visit from the Fire Brigade) have embarked on a study of the local area and Year 3 have been colour mixing to create a river scene.

Year 6 have well and truly risen to the challenge of SATs this week and have consistently been responsible, respectful and resilient. We are all so proud of them and hope they get some much deserved rest over the weekend.

Next week sees **Class Photos** and a parent workshop all about **Accelerated Reader** so it is sure to be another busy one!

I hope that you all have a lovely weekend and the sun manages to stay out.

## Challenge Partners

Last week, Miss Nurse, Miss Swidryk, Mrs Taylor & Mrs Evans spent a lot of time with two special visitors from Challenge Partners, showcasing all of the hard work that staff and children have put into making Henry Hinde Junior School such a wonderful place to be. The full report will be published on the school website and it makes for great reading. A huge 'well done' to everyone involved.

This week, Mrs Evans, along with some of our Reading Ambassadors, took a trip to Hunt's Bookshop. As well as perusing through the latest titles, they collected some books for the box that will be given to the class who wins 'Class Reader of the Week'. The lovely people at Hunt's have also kindly donated a voucher to be won at the Summer Fair.
