Principal's Message

A belated Happy New Year to you all. I hope you all had a restful break over the holiday. It's been really lovely to see the children back in school, enthusiastic to learn and keen to find out about their new topics and projects. The school is looking particularly vibrant at the moment with new displays in the corridors and classrooms. A big thank you to all the staff for working so hard to make our school look so good!

We have several new members of staff who have joined us this term. Firstly, Miss Swidryck our new Assistant Head has joined us from a school in Leamington. Miss Swidryk will also be teaching in 5 Birch. Miss Brees is joining 5 Sycamore as a Teaching Assistant and Mrs Howard, who many of you know from the Infant school, is now working across both schools as the SENDCo. She will be based at the Juniors on Tuesdays and Thursdays. Finally, we have Mr Everett, our new Site Manager!

I hope you all have a lovely weekend!

Regards

Miss Nurse

Covid Updates

As you are no doubt aware, the government guidelines are ever changing when it comes to Covid rules but we strive to ensure that we are always giving you the correct advice. If your child tests positive on a lateral flow test, then they do not now need to take a PCR test. From Monday 17th January, the self-isolation period is reducing to 5 days. Meaning that if your child has a negative lateral flow on day 5 and 6 of their self-isolation then they can return to school. Please call the office if you have any questions about isolation or Covid rules.

Parking

Once again, I am receiving numerous complaints from parents and neighbours about the parking both before and after school. Please can I ask that you do not park on the pavements outside school? This is incredibly dangerous as children and parents are being forced to walk on the road. Stopping on the Zig-Zags outside of school is also very dangerous so please do not do this. I thank you for your support in this matter.
