Dear Parents and Carers,

Thank you to all of the parents who joined us on Monday and Tuesday of this week to explore the related resources for our Relationships, Sex Education (RSE) topics in the summer term. Mr Daniel did a great job of explaining the content taught to each year group, how the information shared shows progression across KS2 and answering questions from parents and carers. For anyone who missed this due to other commitments we will be running **one additional session on Monday 24th May at 4:00pm**. Invites will come on the day via Class Dojo.

Mrs K Evans, our writing lead, was super impressed to see two writers in Year 4 awarded their pen licence this week. Congratulations to you both, I can see from the photo how hard you've been working on your handwriting and presentation.

Today has been Pyjamarama day! We have been raising money by coming in to school in our PJs. It was lovely to see so many children (and adults) looking particularly cosy in their classrooms! Thank you for your donations of £1 to this cause.

There are a lot of sport based club posters in this newsletter this week. There are lots of fun activities for children locally who really want to see our children getting more active. There is also some information about a holiday club at Harris Academy if this may be something your family is interested in for the half term.

Looking forward to next week, for all of your information, **all classes will be running Week 2 of the fortnightly timetables.**

Have an enjoyable weekend all,

Miss Nurse

Year 6 Leaver Hoodies

Thank you to all parents who have completed the Year 6 parent form about Leaver Hoodies on ParentMail.

Once we have had a response from every parent in the year group, giving permission for their child's first name and last initial to feature, we will send out a link to the online shop for you to purchase.

What a fantastic memento of their time at HHJS!

Year 5 Secondary School Application Notice

This week all Year 5 parents should have been contacted by Warwickshire to give early notice for the process of applying for a Secondary School place for 2022.

Whilst the formal process will not start until September 2021, parents can register their online parent portal account from this week and if you are interested in applying for a Grammar school place you must register for the 11+ by **30th June 2021**.

Henry Hinde Junior School needs you!

Henry Hinde Junior School Academy Improvement Management (AIM) Board is seeking motivated volunteers who are committed to working with school leaders to make a positive difference for children's futures.

The school is part of the Transforming Lives Educational Trust (TLET), where the role of governor is crucial. In fact, we refer to governors as Partners who all have vital roles to play on AIM Boards.

At the moment we are particularly interested to hear from individuals with professional backgrounds in finance, but all professional skills are welcome, so please do get in touch if this is an opportunity that interests you. It may be that you will be new to the education sector and that is great; TLET will provide all the training you need and there will be opportunities for you to shadow other Partners as you start.

One of the Partner's roles is to support and challenge the school's Senior Leadership Team, including the Principal, to ensure attention is paid to raising and maintaining high standards of teaching and learning and to meeting and exceeding national educational requirements.

To help you consider if this role is for you, here are some questions to think about:

Do you have the commitment and desire to ensure all children have the best possible education?

Do you have time to read meeting papers and attend regular meetings (term time only)?

Do you have good skills to work as part of a team?

Are you confident to analyse, interpret, make judgements and decisions?

We encourage applications from all members of the community regardless of background, gender, ethnicity, disability or age.

Please get in touch and send a short paragraph about yourself and your background so that we can have an initial informal discussion.

For any further information, please email Jaimie Matthews:

Dear Parent/Guardian,

Our school is delighted to be taking part in Royal Mail's Heroes Stamp Design Competition, honouring the heroes of the coronavirus pandemic.

Eight pupils from primary and secondary schools across the UK will become the designers of this stamp set, and one could be your child!

Each entry we send in will have the name of each child, plus their age and our school's name and postcode.

Before we submit entries to Royal Mail we need explain how Royal Mail will use these details.

Royal Mail will use these details of children who enter (i.e. name, age, school name and postcode) to run the competition, including to contact the winners and distribute prizes.

Royal Mail will share this information with iChild Limited and The Education Company Limited, who are helping Royal Mail to run the competition.

Except in the case of the 120 children who reach the Regional Finalists stage, Royal Mail will delete all of this data by 30th September 2021.

As is usual in competitions, Royal Mail may, if requested, tell the Advertising Standards Authority of those winners' surnames and counties. Members of the public will also be able to ask Royal Mail for that information after 30th September 2021. If you object to your child's surname and county being available to members of the public, you should write to Heroes Stamp Design Competition, Royal Mail Group, 185 Farringdon Road, London EC1A 1AA. However, Royal Mail may still need to give this information to the Advertising Standards Authority on a confidential basis.

If your child enters the competition, Royal Mail has what data protection law calls a "legitimate interest" to use your child's details (i.e. name, age, school name and postcode) in the ways described above. However, your decision of what is best for your child takes priority, so if you have any concerns please let your child's teacher know not to include your child's design in the competition.

Please refer to Royal Mail's Privacy Notice at

<https://www.royalmailgroup.com/en/site/privacy-notice/> for more information about how to exercise data protection rights, contact Royal Mail's Data Protection Officer or raise complaints with the Information Commissioner's Office.

If your child is one of the competition winners, Royal Mail will contact you separately, via the school, to discuss whether you would be willing to take part in publicity.

Thank you,

Heroes Stamp Design Competition

American Football in the UK follows the same principles as seen on TV with the NFL. In the UK, it is one of the most inclusive sports as there are different leagues for all age groups, and while girls and boys can play together at any age, there are also female only leagues.

Contact American Football played with all the same equipment as NFL is split into two age groups – U19s and U16s. 16-18 year-olds are eligible for the U19s league whilst 13-15 year-olds can get involved with an U16s team.

Non-Contact American Football or Flag is the fastest growing format of the game, where tackles are made by pulling off flags which all players wear on their hips.

The game retains the same inclusivity which makes American Football great. Play is based on the same principles as the contact game with offensive teams having four attempts (downs) to reach a certain point on the field with the defensive team trying to stop them.

Why should you play American football? We aim to build camaraderie and teamwork, provide skills on and off the field, encourage fitness, and give players a sense of belonging. Every player has a task to perform on each and every play and what they do has an impact on the game and their teammates – making them truly part of a team.

Rugby Rhinos offers your child the opportunity to play either flag football for the younger children between 7 and 14 or the full contact version for 14 to 18 year olds.

Come along and give it a try!

Taking Care of Our Countryside

The Countryside Code

Your guide to enjoying parks and
waterways, coast and countryside

Respect everyone

- be considerate to those living in, working in and enjoying the countryside
- leave gates and property as you find them
- do not block access to gateways or driveways when parking
- be nice, say hello, share the space
- follow local signs and keep to marked paths unless wider access is available

Protect the environment

- take your litter home - leave no trace of your visit
- take care with BBQs and do not light fires
- always keep dogs under control and in sight
- dog poo - bag it and bin it - any public waste bin will do
- care for nature - do not cause damage or disturbance

Enjoy the outdoors

- check your route and local conditions
- plan your adventure - know what to expect and what you can do
- enjoy your visit, have fun, make a memory
