## Principal's Message

Welcome to our final newsletter of this half term! We have had such a great start to the year, swimming in Year 4, Projects in all year groups have begun, new novels are fully underway and Times Table Rockstars is really having an impact!

We are so proud of all the children who have been displaying our RESPECT values this term and so many of them having awards for this. There is plenty of opportunity next term for more awards and recognition for all the children.

Attendance is improving all the time and I hope this will continue in the run up to Christmas. I hope you all have a restful half term and we look forward to seeing you on Tuesday 1<sup>st</sup> November.

Have a lovely half term!

Miss Nurse

## Hunts Book Fair

A huge 'thank you' for your support at

our first Book Fair in collaboration with Hunts Book Shop. We sold a whopping £1370.00 of books which gave us an amazing amount of money to spend on books for our school library.

## Parking

Please do not park or drop off your children on the zig zags or the school driveway. Again this week we have had some near misses due to inconsiderate parking

# We need you!

The Henry Hinde Junior School AIM Board is looking for parent governing partners to join the board.

The AIM Board works closely with the Principal, Senior Leadership team and staff as we continue to raise standards and support the strategic direction of HHJS.

We need you to contribute to the success of the school and represent our diverse community. It is a challenging but hugely rewarding role, where you can make a real difference to the children in our school. You don't have to have any prior experience or knowledge of education.

# Do you have...

a child or children attending HHJS?

a desire to challenge and support?

a curiosity to find out about the school?

an eagerness to contribute to and represent our community?

a willingness to listen and make informed judgements?

the willingness to dedicate your time?

the ability to look at issues objectively?

an open and enquiring mind?

The AIM Board meets twice each term and each governing partner would usually make short visits the school during the school day throughout the school term. All the current board work full-time and fit in their role around their own commitments.
