25th June 2021

Dear Parents and Carers,

What an exciting week the children have had in Year 6. They have started creating their story sacks using the donated pillow cases so thank you to all families who sent one in. The children have really enjoyed this project and have been showing off their work all week. Some of the photos on the front page are from Year 6 to celebrate some of their amazing learning.

In 3 Maple this week each child created a print in the style of Hokusai by using a sharp pencil to carve a design into a sheet of foam. These were then painted then printed in their sketch books. Check out the whole classes work in the photo below!

Starting from Monday, we will be offering tours to new to Year 3 families after school every evening. If you know someone who is joining us in September, or your family have a current Year 2 with a place we urge you to book your visit. It will be an opportunity for you and your child to meet a member of our Senior Leadership Team, to explore our learning environments and meet some of the staff in school. Current restrictions have really altered our transition plans and so this tour is really important to giving the current Year 2 children a 'feel' for the school. Tours can be booked by phoning the office on 01788 811 392.

I hope you have an enjoyable weekend.

Miss Nurse

Disposable Water Bottles

Year 6 need 500ml water bottles for their learning journey on week beginning 28th June.

If any families have any washed bottles that they wouldn't mind donating please send these in to the office.

Hot Weather Notice

As the weather gets warmer, please ensure all children have a **hat** and **water bottle** in school with them and that you have put sun cream on **before school**.
