28th May 2021

Dear Parents and Carers,

What a lovely week we've had to see the end of my first half term at Henry Hinde Junior School. Looking forward to next half term, we have provisionally pencilled in some end of the year events and are sharing these on our calendar. Obviously, this depends on current restrictions easing and we will send more information about these events closer to the time.

Celebrations are in order as this week! Mrs Newton, our science leader, has been awarded the PSQM (Primary Science Quality Mark). This is fantastic news for our community. The PSQM programme ensures effective leadership of science, enables schools to work together to share good practice and is supported by professional development led by local experts. The award celebrates our commitment to excellent in science teaching and learning.

I attended my first Henry Hinde Junior School PTFA on Wednesday. What an amazing thing to support our school and I was really enthused by their ideas for fundraising. We have added a date to the diary for the Family BBQ, an event that ran two years ago and was a huge success. All families are welcome and we are also inviting Year 2 families who will be joining us in September. More information is outlined on the PTFA poster on page 3.

Acorns class have been cooking this morning and the school smells of fresh baking. It's delicious! The finished products looked great and there is a photograph for you to see.

Have a safe and happy half term and I hope you have a chance to enjoy the weather,

Miss Nurse

Pre loved Uniform Donations

If you find yourself clearing out uniform over half term that would still be suitable to be worn again, we would love to have it in school for our PTFA.

If you would like to donate, please send clean items to the school office.

Parking

You may have seen the Police outside of school this week. Please can we remind all parents that you cannot park on the school driveway. It must be kept clear at all times for emergency vehicles.

Awards

Stars of the Week

3 Oak

Learning— Reinti O
Behaviour— Maani J

3 Maple-

Learning— Harry R
Behaviour— Bethany F

4 Cherry-

Learning— Rebecca C
Behaviour— Lilly Y
