7th May 2021

Dear Parents and Carers,

Thank you for your continued support this week, I know it has been strange having a bank holiday and a polling day in the same week! I do hope the children enjoyed their maths projects set by Miss Spence for NSPCC Number Day.

I met with our Academy Improvement Management (AIM) Board this week, who are responsible for the Governance of our school. There is an information piece in this newsletter asking for volunteers to join. If this is something you are interested in, it would be hugely beneficial for the school, please do get in touch with Jaimie Matthews on [jmatthews@henryhindejunior.co.uk](mailto:jmatthews@henryhindejunior.co.uk).

This week was very exciting for 3 Oak, who said goodbye to the froglets they had been raising as they were released in to the wild. What a brilliant project for Year 3 to be involved in., thanks to a generous family for donating the tadpoles! Take a look at some of the photographs.

Please remember that if you want to have a chat about anything to do with school or your child then please feel free to make an appointment.

Have a lovely weekend!

Miss Nurse

## Year 6 Leaver Hoodies

Thank you to all parents who have completed the Year 6 parent form about Leaver Hoodies on parentmail.

Once we have had a response from every parent in the year group, giving permission for their child's first name and last initial to feature, we will send out a link to the online shop for you to purchase.

What a fantastic memento of their time at HHJS!

## Pyjamarama Day!

On Friday 14th May, all children and staff across school will be invited to wear their pyjamas to school for a donation of £1.

Pyjamarama is all about getting children excited about reading, and fundraising for BookTrust to make sure every child gets their bedtime story.

## Relationships and Sex Education (RSE)

### Information Sharing Online

Year 3 & 4: Monday 10th at 4pm

Year 5 & 6: Tuesday 11th at 4pm

The online link will be shared on the day via ClassDojo.

## Awards

### Stars of the Week

#### 3 Oak

Learning—Beaux P  
Behaviour—Henley M

#### 3 Maple-

## Henry Hinde Junior School needs you!

Henry Hinde Junior School Academy Improvement Management (AIM) Board is seeking motivated volunteers who are committed to working with school leaders to make a positive difference for children's futures.

The school is part of the Transforming Lives Educational Trust (TLET), where the role of governor is crucial. In fact, we refer to governors as Partners who all have vital roles to play on AIM Boards.

At the moment we are particularly interested to hear from individuals with professional backgrounds in finance, but all professional skills are welcome, so please do get in touch if this is an opportunity that interests you. It may be that you will be new to the education sector and that is great; TLET will provide all the training you need and there will be opportunities for you to shadow other Partners as you start.

One of the Partner's roles is to support and challenge the school's Senior Leadership Team, including the Principal, to ensure attention is paid to raising and maintaining high standards of teaching and learning and to meeting and exceeding national educational requirements.

To help you consider if this role is for you, here are some questions to think about:

Do you have the commitment and desire to ensure all children have the best possible education?

Do you have time to read meeting papers and attend regular meetings (term time only)?

Do you have good skills to work as part of a team?

Are you confident to analyse, interpret, make judgements and decisions?

We encourage applications from all members of the community regardless of background, gender, ethnicity, disability or age.

Please get in touch and send a short paragraph about yourself and your background so that we can have an initial informal discussion.

For any further information, please email Jaimie Matthews:
