

Henry Hinde Junior School

Sport Premium

Spending Review

September 2018 – August 2019

Aims:

1. Increase participation levels in competitive sports
2. Encourage healthy lifestyles within the school community
3. Improve the profile of PE delivered throughout the school

Increase participation levels in competitive sports			
<u>Provision</u>	<u>Detail</u>	<u>Cost</u>	<u>Impact</u>
Increased number of inter-school fixtures within our local area	Competition entry fees and staffing	Entry - £260 Staff & admin - £350 Total - £610	Higher levels of participation in competitive teams at high-standard competitions.
Sports day	Sports day equipment, cost of hosting,	£32.40	Higher participation levels amongst all children expected with greater focus on choice of events.
Extensive extra-curricular sporting activities offered across the school	Variety of sports clubs offered at lunchtimes and after-school.	£350	Students were offered a variety of lunchtime and afterschool clubs with high levels of participation.
Harris School Sports Partnership Subscription	Subscription to Harris Sports to support the development and delivery of school sport.	£2,390	Pupils empowered to participate in competitive fixtures across a range of sports.
Encourage healthy lifestyle within the school community			
The golden mile	Increase activity of students school-wide daily	£0	Staffing meant we could not incorporate this into the curriculum – This will be included in the 2019/20 plan.
Bikeability – level 1 course	Increased safety and confidence whilst cycling to lead to a healthier	£0	Staffing meant we could not incorporate this into the curriculum – This will be included in the 2019/20 plan.
Cooking club	All vulnerable pupils across the school have the experience of using basic cooking skills and can provide a hot meal for their family	£80.91	As a result of subsidised funding to access the club, vulnerable students were able to take home recipes and ideas to support a

			healthy culinary lifestyle.
Bronze award – Food for life	Children learn to cook, grow and understand where their food comes from. Directly impacting their health.	Part of PE Coordinator’s job description and salary already allocated.	This was hugely successful with engaging the students in growing and cooking food. Improvement were made in the garden, and parents were brought in to taste the food prepared.
Healthy snack budget for vulnerable pupils	A group of vulnerable students will be able to have a healthy snack every day of the school year.	£51.65	There was a noticeable improvement in behaviour with our vulnerable children who received this.
Raise the profile of PE and sport across the school			
Specialist PE curriculum support – PE Hub membership	Consistent high quality planning leading to enhanced PE pedagogy	£390	High levels of participation across the school in PE. With a broad curriculum.
New PE equipment	Ensure children get the most out of their PE lessons, after school clubs and lunchtimes.	£364.54	Equipment has supported PE lessons and enabled high levels of participation.
Employ PE coordinator	Targeted interventions can take place delivered by a specialist, knowledgeable teacher can dedicate time to plan a broad and balanced curriculum.	£12,660	PE lessons observed have been good, student and parent feedback has been positive.
CPD – For coordinator (Incl. first aid/ sport specific training)	Ensures PE lead is equipped to share National Updates, disseminate appropriate information and lead a broad and balanced	£204.60 + £250 supply cover. Total: 454.60	All PE lessons observed are good or better. School is in line with national updates.

	curriculum.		
Swimming Top-up	Swimming lessons to raise attainment in End of KS2 Swimming Requirements	£2,390	Increased percentage of children at the End of KS2 from 47% to 61% to swim competently, confidently and proficiently across 25m.
Sports surface maintenance	Having elite sports surfaces means we can host competitions which in turn will raise the sporting profile of the school.	£0	Funding used to raise attainment at End of KS2 swimming requirements. This initiative will have high priority in 2019/20 budget.

Funding received: £18,610.00

Total spent: £19,774.10 (-£1,164.10)
